

HEALTH AND SAFETY

POLICY

Building Futures Care aims to ensure all persons accessing family day care services under the scheme are kept safe through the implementation of effective procedures and risk assessments that manage health and safety risks.

PROCEDURE

The Coordination Unit and family day care Educators will use best endeavours to ensure the health and safety of children in family day care is protected, through the implementation of recognised Australian health and safety guidelines and standards.

The Coordination Unit will provide information, training and support to Educators on relevant health and safety information and procedures.

The scheme has policies and procedures in place for the Educators in relation to:

- Nutrition, food and beverages, dietary requirements;
- Sun safety and protection;
- Water safety;
- Incident, injury and trauma with the administration of first aid;
- Illnesses and infectious diseases
- Sleep and rest for children;
- Medical conditions and administration of medications
- Emergency evacuations
- Providing a child safe environment
